

Don't wait until it's too late

On Your Own:

- **No Voice** : A lone voice will be lost : UNISON is an organised, collective voice that defends members interests.
- **Risk** : We can only represent you on an issue if you're already a member
- **Vulnerable** : Don't be left on your own. As an individual you risk being put at a disadvantage in times of change

With UNISON:

- **Protection** : No MDX UNISON member made compulsory redundant : Summer 2012
- **Support** : That makes a real difference during times of uncertainty : UNISON stands by its members .
- **UNISON** : Seeks to resolve problems before they become serious issues.

We're there for our members :
STRONGER TOGETHER

Not Just For an EMERGENCY
